

Airshow China B to B Meetings

Aiming to provide superior and effective services to all the participants of Airshow China, and to help all the companies in the industry identify and target the future business partners, "Airshow China B to B Meetings", co-organized by the Airshow organizer and BCI from France, will bring together companies worldwide in aviation & aerospace industry, offering you the only concrete opportunity to have an one to one meeting with adapted to your needs.

Airshow China B to B Meetings is a genuine B2B platform, a service of customized and pre-arranged meetings aiming to:

- help companies to identify partnership opportunities and business contacts for future benefit
- allow companies to understand new trends, approach new market and develop new production

This is a matchmaking service reserved to all direct, indirect exhibitors **for free**. The program will also be open to all the professionals in the industry to meet with potential suppliers and partners. The organizer will contact you after reviewing your application.

These pre-arranged meetings will be based on the participants choices and availabilities.

How does it work ?

Pre-arranged your meetings!

1. Fill out a short form and provide us with capabilities, applications and needs
2. Access detailed profiles of all the attendees from our online catalogue (3 weeks prior to the meeting)
3. Identify and request meetings with relevant contacts through our user friendly program
4. Consult your individual schedule of pre-planned meetings with the contacts of your choice 4 days before Airshow China
